## **RE: END OF TERM THREE CIRCULAR.**

On behalf of the Management, staff and the entire family of Shining Stars Nursery and Primary School-Vvumba, I greet you and heartily thank you for supporting us always and choosing us as your preferred school of choice. We thank God /Allah that we have successfully ended the year 2025.

**Below are some of the highlights of Term Three;**

### **1. ACADEMICS**

We are doing everything possible to improve the academic standards of our learners and reasonable improvement has been observed. I request you to study the child's report and fix time to help the child in the areas of weakness during this long holiday.

### **2. FEES PAYMENT AND REQUIREMENTS.**

The introduction of school pay system has brought tremendous improvement in school fees payments. I thank all parents/guardians that have embraced change and have been able to pay all the school fees and requirements. We request those that were unable to complete term three fees to do so during the holiday. I wish to advise that parents/guardians start making payments using school pay system immediately to reduce the burden by the start of term one 2026. Ensure that you pay at least half of the fees by reporting day and you will be expected to make the last fees payment by VD/Academic day.

**Ream of papers** as you are aware we had resolved that we try and see if it's enough for each child to bring a ream of papers once a year, unfortunately we have confirmed that one ream isn't enough annually. In the new arrangement we shall be buying ream of papers twice a year and that is first term and third term.
