7TH AUGUST 2026

CIRCULAR FOR END OF TERM TWO

Warm and sincere greetings from Shining Stars Vvumba community. We thank you for the support and love to our children and our school. Thank you for choosing Shining Stars as your school of choice for your child. We thank you for the fun day today and giving children food stuffs to share with their colleagues in class. Sharing is caring indeed, we had fun interact with your child to get a recap of the day.

This year Shining Stars Nursery and Primary School marks five years anniversary. We thank God for the journey walked so far and appreciate you for being part of this amazing experience. In the coming days we shall be communicating how we shall celebrate this milestone as we end the year.

Today **7th August 2026** our children have finished their end of term two assessments and will be staying home as their teachers prepare their reports. We shall officially close the term on **14th August 2026 from 8am to 3pm**. Our reports will be ready for collection in hard copy and sent in soft copy for those that have subscribed to the parents' portal. For those who would wish to use the parents' portal you just need to share your email with us to put you on board.

Our children have been given holiday packages, please let your child/children do the work independently. Do not write for them and restrain from giving them answers from google/AI. Your assistance shouldn't include writing for them and offering smart phones with internet to answer questions. These vices are common and easily detected. Help, encourage, allow your children to think, reason and comprehend to answer questions.

We have closed the term with children still having school fees balances. We encourage you to fulfil your pledge and commitment. Kindly ensure payments before the collection of reports.

As we begin **third term on Sunday 06th and Monday 07th September** for boarding and day scholars respectively, we shall not allow any pupil to report without paying at least 50% of school fees and basic requirements.

We send to you the children to relax and I wish to advise you to keep with your child/children for proper monitoring and safety. Society has changed so much that it's difficult to trust anyone with your child.

We wish you a very nice and fruitful holiday with your children. We pledge to serve you better always as we arise and shine.

Yours sincerely,
Muhumuza Hillary
Head Teacher
