01nd May 2026

Dear parent/Guardian,

Re: END OF TERM ONE 2026 CIRCULAR.

On behalf of the school Management, staff and the entire fraternity of Shining Stars Nursery and Primary School-Vvumba, I greet you and heartily thank you for supporting us always and choosing us as your preferred school of choice. We thank God /Allah that we have successfully ended Term one, despite a few challenges.

I am happy to inform you that we completed our Nursery section registration with the ministry of Education with registration No. **LDLG/ECD/SSDCNS/N/2026/N/005**. I can confirm without doubt that our school is fully registered with MoES with UNEB center number. We thank God for the milestone as we celebrate the fifth birthday of shining stars at the end of this year. Further communication will be made.

Below are some of the highlights of Term One;

1. ACADEMICS

a) Teaching and assessments

We are doing everything possible to improve the academic standards of our learners and reasonable improvement has been observed through our continuous assessments. I request you to study the child's report and fix time to help the child in the areas that need improvement during this holiday. As you are aware, last year we had 17 candidates. This year we are registering 26 candidates. Registration process is on and photographs have been taken already.

b) DISCIPLINE

I am glad to inform you that most of our learners are well behaved except for a few that behave below our expectations but we have dealt with those cases to logical conclusions as we monitor progress.

c) Holiday package

All our learners have been issued with holiday package except those that didn't pay to do revision during the holidays. This holiday package will be collected on the first day of the term at the gate and those without it, will not be allowed in class. Ensure your child attempts all questions and keep it tidy.

d) Reports

All pupils have been issued with report cards with exception of those with outstanding balance; however each of them has been issued with a circular. Our reports and assessments for your child can be accessed via parent portal on our website. Those that would like to receive the report in soft copy via email and whatsapp please reach to us.

www.shiningstarsvvumba.com

P.O BOX 170262, LUWEERO

e) Study Tour

As you are aware every second term the school organizes academic study tour for our children. we are organizing one. We shall have **only primary tour on 24th July 2025 at a fee of 70,000/=**. Tour fee is payable in cash to the bursar. Places to visit include; **Mabira forest, Rocks and Agricultural study center, Masese landing site, kakira sweets and Rail museum (train ride)**

f) LIBRARY.

We would like to thank you all for accepting and paying the library fees starting last year. I am glad to inform you that our library is towards completion and a number of readers have been put in place. Starting next term our learners have the library in place even though a lot is still needed. I wish to submit an appeal to you or anyone you may know that can donate books that are useful to our children please do. We welcome any recommended readers. These could be novels, story books that you no longer use at home, please. we need them.

Thank you for the generosity.

2. FEES PAYMENT AND REQUIREMENTS.

We thank all our parents/guardians that have been able to pay all the school fees and requirements. This term a tremendous improvement in payments has been observed. We hope to see that time when we all pay to zero balance. We request those that were unable to complete all school dues to do so during the holiday. Our payment channels remain open.

I wish to advise that parents/guardians start making payments using school pay system immediately to reduce the burden by the start of term two. Ensure that you pay at least half of the fees by reporting day and you will be expected to make the last fees payment by VD/Academic day. And those that would wish to make direct bank deposits use our account details below;

School account number: **9030024004200**

Account name: **VVUMBA SHINING STARS NURSERY AND PRIMARY SCHOOL LTD**

Branch: **STANBIC BANK ACACIA MALL**

We also request you to bring all the school requirements on the first day of the term since they help us to carry on with school work. Refer to the requirements' sheet.

3. TRASPORT/VANS

This term we have not faced a lot of challenges with vans and we hope our van service has greatly improved. We have plans to add on our fleet of vans with time. As you have seen the fuel prices as we closed the term, incase nothing changes we shall be forced to adjust in van fares. We would wish to emphasize that van fees be paid at the beginning of the term in full. Vans fuel daily and have to be serviced on schedule. From day one of the term vans will pick only those who have paid for the service.

NOTE: Vans drop children who reported for school in the afternoon and pick only those that have reported officially for the term. Do not call drivers to pick your children when they have not reported to school.

4. UNIFORMS

I am glad that we now have uniform ready every time you need one. I request you to label all the uniforms of your child during this holiday. Label all your child's items including socks, knickers and underwear especially for boarding section. We managed to get the service provider for truck suits and all those that paid received theirs. I request you to go on and make payment to get one for your child.
Note that all children should report at school in full school uniform.

5. **BALL GAMES AND ATHELETICS.**

This term on the calendar of Ministry of Education schools participate in athletics. We were able to participate in the athletics as planned. In these competitions our children performed very well. Five of our learners qualified to the cluster and two qualified to the district. The school supported them all through. Next term we shall be going for ball games.

6. **ACHIEVEMENTS REGISTERED IN TERM ONE.**

We thank God for the provisions always, a number of achievements have been registered but among the key ones, I am glad to inform you that this term we managed to;

1. Complete three new classrooms accommodating P4, P5 and P6.
2. Installed cameras in nursery classes and all around the school.
3. Improved performance in academics
4. Added more computers in the computer land for the children thanks to the parents who subscribe with the computer fee.
5. Replace and improve our public address system, piano, app mixer and a cross over that were stolen last year.
6. Maintain our teaching and non-teaching staff.

7. **REQUIREMENTS AND SCHOOL FEES.**

We thank you for providing all the requirements to our children. It has come to our notice that some parents don't bring all the requirements as required at the beginning of the term. All requirements will be required on the reporting day. For those who have closed the term with outstanding balance kindly fulfill your obligations in holidays.

a) **SCHOOL FEES**

School fees remain the same and unchanged. Please refer to your old circular.
